The Teufelhof Basel **The guest and culture house**

Welcome in the unique guest and culture house «Der Teufelhof Basel». In the Teufelhof Basel we unite under one roof hotellerie, gastronomy and culture. With our two hotel concepts, the gourmet Restaurant Bel Etage, the modern Restaurant Atelier, the cozy Bar&Kaffee Zum Teufel, the in-house theatre and the delicacy store falstaff in our archaeological cellar with a little museum, we offer high standards and quality to our guests in an inspiring environment.

Teufelhof: where a simple get together becomes an event sensation

Basically, in the Teufelhof is everything possible. Located in the middle of Basel's old town, the house offers a huge variety of locations. Our historical buildings, which have been nicely renovated and decorated with modern and artistic design, give us the chance to offer the right room for each different kind of event.

In our archaeological cellar, located between the old town walls of the 11th and 13th century, with wine shop and a little museum, or in the modern and design oriented room Shine&Dine, the historical rooms on the 1st floor of the art hotel, the perfect furnished and very flexible theatre, the modern bar or in one of our two restaurants, we will find the right location for you. If dinner, business lunches with or without presentation, business meals, birthday parties, weddings, product presentations, aperitifs or apéro riches, meetings, coffee breaks: we are pleased to welcome you and your guests in our great ambience.

Our event team is trained to do anything we can, to satisfy your needs and requests. We are very flexible and it is our pleasure to take on responsibility for making your event a success. Over 1'000 of events every year serve as reference. All this experiences gave us the opportunity to build a solid and huge knowledge. Moreover, the proven Teufelhof kitchen crew takes care that your guests eat splendidly and feel good all around.

Measure us with our values:

«With us the customer is the centre of our daily work; he gives the house its raison to be. We all, the 68 employees of the Teufelhof, place great emphasis on personal service. The well-being of our guests is our most important concern and we all take the responsibility to ensure that you feel comfortable with us».

Great that you are here! Raphael Wyniger
