The Teufelhof Basel

Welcome

A hearty welcome to the unique hotel and cultural venue "Der Teufelhof Basel", where restaurants, hotels, theatres and art all under one roof, offer a unique combination. The venue is located in Basel's historic centre, in two integrated, historic townhouses from the 18th century. As a popular meeting place, the house links history and tradition with an artistically inspiring, modern and thus urbane setting.

Conferences and celebrations

Whether seminars, in the newly-built Shine & Dine room for example, business lunches or dinners, birthday celebrations, weddings, product presentations or other events, the Teufelhof Basel is an ideal venue for any kind of event, offering a creative and yet highly professional environment. Over 1,000 events each year serve as a reference.

Values

"For us, the customer is the focus of our daily work; the customer gives this venue its raison d'être. All of us, the 68 employees of the Teufelhof, attach great importance to pampering our guests. The well-being of our guests is our most important concern and we are all committed to ensuring that you feel genuinely comfortable staying with us." It's great to have you here!

Hotel rooms

Art Hotel

The Art Hotel has eight rooms and one suite, all of which are appointed as livable works of art. The rooms are redesigned by artists at regular intervals. The idea is that guests live in a work of art, instead of just viewing art in their rooms in the usual way. A play on words perhaps, but one that has great significance in terms of its implementation. Because: the intent is to empower the guest to experience art in a new context.

Gallery Hotel

The whole building complex of the Gallery Hotel acts as an exhibition space for art. Different exhibitions are on view for one year at a time. Like the Art Hotel, the Gallery Hotel is appointed with designer furniture.

It has more than twenty rooms, three suites and a junior suite, and offers all imaginable comforts. Free Wi-Fi, a buffet breakfast, and coffee and water in your room are a matter of course at both the Arts Hotel and the Gallery Hotel.

Design Hotel SET

The SET Hotel.Residence by Teufelhof is a newly designed building with the latest technology. The hotel is furnished with modern, experimental and unique design classics, urban art and a top infrastructure. Discover urban artworks in the rooms and street art works in all public areas and the gym.

Please ask us regarding availability of hotel rooms and the best available rate.

The Teufelhof gastronomy

Gourmet restaurant Bel Etage

The Bel Etage offers a seasonal, product-oriented and straightforward gourmet cuisine at the highest level. Chef Michael Baader has been responsible for the kitchen since the hotel opened in 1989. The award-winning Michelin-starred restaurant offers a varied selection of a la carte dishes and various menus with exciting wine accompaniments.

Restaurant Atelier

The Atelier is known for its modern world cuisine based on Swiss and regional products. The craftsmanship is in the foreground, since everything is homemade under the direction of the second chef, Aschi Zahnd.

Bar & Kaffee zum Teufel

The Café offers homemade cakes and desserts as well as a variety of coffees. However, the focus is on the bar offer with a large wine list with 400 positions, as well as a large whisky offer. To the bar & Café Zum Teufel belongs also a secluded front garden.

Counting Sheep

The Counting Sheep offers a fine selection of drinks such as mineral, wine and beer as well as a small selection of snacks. Together with the lobby, it forms the heart of the SET. The ideal place to work, relax, philosophize or if you just need a little company.
